Gentlemen:

Enclosed is a draft letter with a preliminary estimate of Bonneville's FY 99 program administration costs and designation of non-discretionary projects. We are sending this in draft form to establish reasonable placeholders for the ongoing prioritization sessions while still allowing further discussion regarding documentation and explanation of the determinations included. Please provide comments regarding information which should be included or issues to be addressed to Sharron Monohon, 230-3111, by May 15. If you prefer, Sharron can also be reached by fax at 230-4563 or e-mail at [samonohon@bpa.gov](mailto:samonohon@bpa.gov).

Sincerely,

[Signed]
